

ARE YOU A LIVE TO RIDE AND RIDE TO LIVE KIND OF PERSON ?

You have the Harley (or plan on getting one soon) so the next step is to learn a bit about the Harley Owner's Group.

Joining a Harley Owner's Group is a way to really experience life on a motorcycle. Harley Owner's Groups or HOG chapters provide a way to gather with people like you. Become involved in a HOG to have fun, participate in gatherings, become involved with charity events, but most importantly to ride.

About H.O.G.

Harley-Davidson® established the Harley Owners Group® in 1983 in response to a growing desire by Harley® riders for an organized way to share their passion and show their pride. By 1985, 49 local chapters had sprouted around the country, with a total membership of 60,000.

Rapid growth continued into the 1990s, and in 1991 H.O.G.® officially went international, with the first official European H.O.G. Rally in Cheltenham, England. Worldwide membership numbered 151,600, with 685 local chapters.

As the 90s continued, H.O.G. hysteria spread into Asia, including new chapters in Singapore and Kuala Lumpur, Malaysia. By 1999, worldwide membership had hit the half-million mark, and the number of local chapters totaled 1,157. Today, over a million members make H.O.G. the largest factory-sponsored motorcycle organization in the world and it shows absolutely no signs of slowing down.

The Harley Owners Group is much more than just a motorcycle organization. It's one million people around the world united by a common passion: making the Harley-Davidson dream a way of life.

What does the future hold? No one can say for sure, but from here the road ahead looks long, wide open, winding, and scenic – with lots of new friends to make along the way. So why not join H.O.G. now and come explore it with us? We promise you'll enjoy the ride.
